You call me up,  
Its like a broken record  
Saying that your heart hurts  
Thought you never get over him getting over you,

And you end up crying  
And i end up lying,  
Cause im just a sucker for anything that you do,

And when then phone call finally ends,  
You say thanks for being a friend  
And im going in circles again and again.

CHORUS-

I dedicate this song to you  
The one who never sees the truth  
That i can take away you hurt, Heartbreak girl  
Hold the dice straight through to day light,  
Im right here when you gonna realise that im your cure Heartbreak girl,

I bite my tongue but i wanna scream out  
You can be with me now  
But i end up telling you what you wanna here,  
But your not ready and its so frustrating  
He treats you so bad and im so good to you its not fare,

And when the phone call finally ends  
You say ill call you tomorrow at 10  
And im stuck in the friend zone again and again,

I dedicate this song to you  
The one who never sees the truth  
That i can take away you hurt, Heartbreak girl  
Hold the dice straight through to day light,  
Im right here when you gonna realise that im your cure Heartbreak girl,

I know someday its gonna happen  
And you'll finally forget the day you met him  
Sometimes the stokes go through enervation  
I gotta get it through your head that you belong with me instead,

CHORUS X2
