It's the perfect situation  
You're the perfect kind of love  
A bit of salvation  
Took the place of  
The pain I had once  
I couldn't tell you now  
You wouldn't understand  
Yet everything I feel  
I'll never conceal  
And your heart I demand

Babe look into my eyes  
You can't say I don't love you and want you to stay with  
me  
Once I found you my life  
It never felt more true, I'll keep you, I'll never leave  
Cause you're the only one  
That I'd ever live for and adore your every move  
You're second to none  
And I'd never ask for more  
I thank God for you

You're all I want to see  
You're all I care to touch  
You're all I need  
When I can't breathe  
And I can't say much  
Just to kiss your lips  
And then see you smile  
It's all of this  
To get back what I missed  
That makes my life worth while

Babe look into my eyes  
You can't say I don't love you and want you to stay with  
me  
Once I found you my life  
It never felt more true, So I'll keep you, I'll never, never,  
never leave  
Cause you're the only one  
That I'd ever live for as I adore your every, every, every  
move

You're second to none  
And I'd never ask for more  
I thank God for you

Babe look into my eyes  
You can't say I don't want you, I love you darlin  
I need you stay  
Once I found you my life  
It never felt more true, you know I'm always gonna  
keep you baby  
Cause you're the only one  
That I'd ever live for and adore your every, every,  
every move  
You're second to none  
And I'd never ask for more  
You know, I thank God for you
