[Verse 1]

Sitting in the doorway waiting for my day to just go by
Oh I, Oh I
I can never seem to feel, good inside
lately everything is putting me aside.

[Pre-Chorus]

As Time Goes By
When I feel like this inside
When I feel like this inside

[Chorus]

No matter where I go,
You always seem to know,
Just how to pick me up off the ground again.
And No matter how much we cry,
Let's hope there never comes a time,
When you'll leave me alone.

[Verse 2]

Standing here, staring at you
While you stare back at him.
I always think, where would I be?
Without all this pain inside me.

â€”[Pre-Chorus]

As Time Goes By
When I feel like this inside
When I feel like this inside

[Chorus]

No matter where I go,
You always seem to know,
Just how to pick me up off the ground again.
And No matter how much we cry,
Let's hope there never comes a time,
When you'll leave me alone.

[Instrumental Solo]

[Pre-Chorus]

As Time Goes By

When I feel like this inside
When I feel like this inside

[Chorus]

No matter where I go,
You always seem to know,
Just how to pick me up off the ground again.
And No matter how much we cry,
Let's hope there never comes a time,
When you'll leave me alone.
