It sometimes feels like I'm being followed

Oh, Oh, Oh, Oh..

When I turn around I swear I'm seeing shadows

Shadows, shadows(In voice effect) Oh, Oh

I feel goose bumps crawling on my skin

Eah, Eah, Eah, Eah

Then I move my curtain but there's nothing

There nothing there!(With voice effect)

Am I going crazy going crazy losing my mind

Or is she really a nympho with only sex on her mind

Am I going crazy going crazy losing my mind

I'm losing my mind I'm losing my mind (With voice effect)

This girl is haunting me but she just wants to get in my bed

She told me that no one's gonna take her place
Uh!
Someone..

Save me cuz I'm turning in to her bed
Where's my
Light
I'm falling down this deep dark hole
In time
I
Hope that she will let me go
Oh, oh, oh, oh
