When I saw you first time
I left everything behind
And when I see your smile
I start to think about you
My heart start racing
And my brain stops working
Everything will be not fine
The reason is just you
Hit come on one more time
Hit me with your sparkling eyes
I feel my heart is beating
And my body start shivering
Everything is not alright
I just want you to be mine
Nothing will stop me now
Because I am in love with you

I'm afraid to fall
More in love, More in love
One day I'll get lost
In the dark, In the dark
I'm afraid to fall
More in love, More in love
One day I'll get lost
In the dark, In the dark

I'm trying to find a way
To say that I'm crazy on you
OH OH I'm in love with you
I'll express what I feel
But I don't have the time
OH OH I'm in love with you

I always think of you
I wish my dream become true
I can not take out of my mind
Because I am obsessed with you
You're the cure to my pain
When you look at me
I'll be insane
When you go away
I'll get sad

Because I'm in love with you
Everything in you
Is driving me insane
And I am saying I'll get over
But I can't get through
Because of you I'm trying
To save myself from
The hole I'm inside
In the dark I'm in love with you

I'm afraid to fall
More in love, More in love
One day I'll get lost
In the dark, In the dark
I'm afraid to fall
More in love, More in love
One day I'll get lost
In the dark, In the dark

I'm trying to find a way
To say that I'm crazy on you
OH OH I'm in love with you
I'll express what I feel
But I don't have the time
OH OH I'm in love with you

I'm afraid to fall
More in love, More in love
One day I'll get lost
In the dark, In the dark
I'm afraid to fall
More in love, More in love
One day I'll get lost
In the dark, In the dark
Oh I'm afraid to fall
More in love, More in love
One day I'll get lost
In the dark, In the dark
I'm afraid to fall
More in love, More in love
One day I'll get lost
In the DARK!

I'm trying to find a way
To say that I'm crazy on you
OH OH I'm in love with you
I'll express what I feel
But I don't have the time
OH OH I'm in love with you
I'm trying to find a way
To say that I'm crazy on you

OH OH I'm in love with you
I'll express what I feel
But I don't have the time
OH OH I'm in love with you
