It's in my blood I love to dance
It's in my blood I love to jam
Cuz I sing pop You don't have a chance
Don't sing the lyrics you don't understand
I made it so clear I said it so deap
I love to drink a glass of beer
It's in my blood and it's in my veins
I love to dance on the dance floor

We are going back and forth back back
Back and forth when I know you want some more
Back and forth back and back back
Back and forth when I dance on the dance floor

I love see you dancing
I love hear you singing
I want to see you dance
Like me we are

Going back and forth back back
Back and forth when I know you want some more
Back and forth back and back back
Back and forth when I dance on the dance floor

It's in my blood I love to dance
It's in my blood I love to jam
Cuz I sing pop You don't have a chance
Don't sing the lyrics you don't understand
I made it so clear I said it so deap
I love to drink a glass of beer
It's in my blood and it's in my veins
I love to dance on the dance floor

We are going back and forth back back
Back and forth when I know you want some more
Back and forth back and back back
Back and forth when I dance on the dance floor

I want you to dance with me
I don't want to be alone
I just want to go back and forth
back back back and forth

We are going back and forth back back
Back and forth when I know you want some more
Back and forth back and back back
Back and forth when I dance on the dance floor
Going back and forth back back
Back and forth when I know you want some more
Back and forth back and back back
Back and forth when I dance on the dance floor
