Iâ€™ve been too blind to see
Itâ€™s not the world I know
You promised me
But sometimes we hide
Who we really are
You say youâ€™re not sorry for all that you did,
For going too far

While we are trying harder,
Falling deeper
But we are only what we are

Nothing can help us from falling
Hoping weâ€™d come to the fore
Iâ€™m not afraid, and I wonâ€™t be
Your slave anymore
No one can stop us from trying
Hoping weâ€™d settle the score
Weâ€™re at the end of our rope
At the end of our rope

Whatâ€™s left to know on the other side?
Maybe itâ€™s time I rest my troubled mind
Well sometimes we fight
What will never die
Seems like we know that weâ€™re trying
Too hard, itâ€™s sucking us dry
