"Genetic Distortion Sequence"

Visit "[Genetic Distortion Sequence](#)" on MotoLyrics.com

Initiate genetic distortion sequence
Commence involuntary human breakdown

Watch the reconstruction
Beginning of the end
The world is black and burning - Man has failed
Watch the second coming
A season of decay
World elimination - Activate

Another poor example
Can we survive?
Create the perfect sample of man

Evaluate - Eliminate
Eliminate the world

Genetic evolution
Composite of a man
Obliterate the defects - Mass -produced
Commencing the distortion
Decoding what remains
Redemption and illusion - Enervate
