

## Nocturnal Rites

### "Tell me"

Visit "[Tell me](#)" on MotoLyrics.com

On this dead end road  
You just sold your souls  
Buying in on what they told

High and mighty you  
And your washed-out smiles  
Tell me now, who's fooling who?

Won't be afraid no more  
Here you found what you're looking for  
Settle for less, round up the clowns,  
obliterate this mess

Say your prayers, little one  
And tell me, yeah tell me  
After all is said and done  
Tell me now, tell me now

I see right through you  
How you cry on cue  
That's just all you've left to do
