Oh oh oh, oh oh oh yeah yeah
Oh oh oh, oh oh oh yeah

Be yours now was the planet that you said
baby that would grew if you stick up
I hope this..keep playin it over

Chorus:

Them things you later right here
I think is running through you there
it's all coming back talking about you, you
now speak the words clear
to keep those..here
I'll say 1000 words to picture you
a 1000 words to picture you, you
tell me what to say girl to bring me back to you
a 1000 words to picture you you
yeah yeah this picture is faded
baby what I'm sayin

I think we'll come back ohh
where there's nobody see a body touching mine
can't stop thinking doubt it ohh
I hear the whispers of your name through these walls
is driving me crazy, really miss my baby
tryin to find the words to bring her back
so lately memories of her babe
start taking her place
I hope these memories keep playing over

[Chorus:]

I think we'll come back ohh

Oh oh oh, oh oh oh yeah yeah
Oh oh oh, oh oh oh yeah yeah
I want you back, come home
yeah yeah
oh oh, let me tell you do

Ohh

I need you baby come back
I need you baby come back
