Now we do never 2 3 4 5 shots a ..  
And i'm sitting back watch on you just work on my body  
I can't take my hands off you  
And it seems to me that you can take your hands off  
me  
Pull those Vicky styles off, head on this ground on  
When we gonna stop until i hear the sound ooh

Chorus:  
Ahh this is something make  
When i wish you ..girl  
Ahh and i can tell by your face that I'm gonna make  
your body explode  
Don't be afraid just let it go  
Baby ..lose control uuh ooh ooh  
And make it explode  
Don't be afraid to let go  
Don't let no one lose control ooh ooh ooh

Passion another .. to close any .. turn  
baby the love is so really inside you  
Go any further and lose your mind  
Ahh ooh

[Chorus:]  
Baby ..for me now

Explode don't be afraid to let go  
Baby just lose control ooh ooh oh  
Explode  
Go!
