...can't you feel the way your
tonight I'll get you started rap the back is on your neck
you say that it just fine I know every breath you take is
deep though
close your eyes don't stress no more
lay back let that body go
hope to turn wharves seem to complicate
I love your body language love is written on your face
Go add it, get it, feel right
I'll keep love until it goes on
take it low then take it high
call my love you lullaby

Chorus:

My love is a lullaby, shawty just let my love it in
then work your body in your mind tonight we're going
in
'cause the head balls freakin shawty the love we makin
lu lu lu lu lu lu lullaby love
just turn the lights out, my lullaby will do the rest
now switch it up take all your problems with your
clothes now
I'll take you to reload
'cause the head balls freakin shawty the love we makin
lu lu lu lu lu lu lullaby love

take your head down pop a bottle celebrate
don't worry bout your dress you're perfect super takes
first place
I really got it let it show shawty I take it personal
time to think this let it flow, here's the pillow nobody go
you love the way your body feels between the sheets
I'ma clear your mind girl go to ecstasy oh
Go add it, get it, feel right
I'll keep love until it goes on
take it low then take it high
call my love you lullaby

[CHORUS:]

Slow it down take your time tonight is all about us
take a lowed of keep it steady baby while our bodies

come
I'm taking you to ecstasy you know what it is when
you're with me
lu lu lu lu lu lullaby love
shawty scream hey let it out and scream hey
watch my work my lullaby, rock your body hope you're
tight
shawty it's your time now open up your eyes yeah

[CHORUS:]
