Times wasted, girl you take the spot
Your body's so blazing,
You know that's what I want
I like a swing no chase up
Girl just say what's up
Can't make it later
Time is now let's go
Everything I want, I grab it, grab it
Every girl I meet, I bag her
No complications, girl why you playing?
Know what I want when I see it, see it
Girl give it up, I mean it
Let's hit the spot, after the stage

[Chorus]

Shawty be like na na na na na
Boy you're not gonna get it
Na na na na na na na,
You better come with it
Na na na na na na na,
Boy you're not gonna get
You better come with it
Na na na na na na na,
Boy come with it, boy come with it
Na na na na na na na,
Boy come with it and let's go

Buying up the bar for you
Siroc all in your cup
You in that thing on the dance floor
You know that's what I want
You got me waiting, anticipating
I'd travel the world to get your love
Every girl I meet, I bag her
No complications, girl why you playing?
Know what I want when I see it, see it
Girl give it up, I mean it
Let's hit the spot, after the stage

[Chorus]

Shawty be like na na na na na

Boy you're not gonna get it
Na na na na na na na,
You better come with it
Na na na na na na na,
Boy you're not gonna get
You better come with it
Na na na na na na na,
Boy come with it, boy come with it
Na na na na na na na,
Boy come with it and let's go.
