See there's this girl I've been seeing
But she ain't , to me, she don't believe me
I represent true love, something she ain't never have
And it's a very saying
Oh, she learned the hard way that love don't cost a
thing
And all those material things, quickly they fade away
When your heart is empty

Said all the times around, only tired of being alone,
alone
Put your all ,of trust, ,your heart turn to stone
Baby I know, , the door, let me in so you can love again
Should let me in, let me be the one
,fall in love again
Don't be afraid, love's on the way,
You should let me in, let me be the one
Should let me in, let me be the one
,fall in love again
Don't be afraid, love's on the way,
Baby I'm here to save the day
Here to save the day
Baby I'm here to save the day
Here to save the day

Already know what you thinking
That it's too good to be true
I'm just another dude
No, stop right there baby, that's where you're wrong
I'm a king so I treat you like a queen, take a seat on a
throne
You deserve much more than what you settle for in
your life
So take my hand girl, I got a plan girl
And it includes me being the man in your life

Put your all ,of trust, ,your heart turn to stone
Baby I know, , the door, let me in so you can love again
Should let me in, let me be the one
,fall in love again
Don't be afraid, love's on the way,
You should let me in, let me be the one who,

,fall in love again
Should let me in, let me be the one
,fall in love again
Don't be afraid, love's on the way
Baby I'm here to save the day
Here to save the day
Baby I'm here to save the day
Here to save the day
You should let me in, let me be the one who,
,fall in love again
Should let me in, let me be the one
,fall in love again
Don't be afraid, love's on the way
Baby I'm here to save the day
Here to save the day
Baby I'm here to save the day
Here to save the day.
