Stalking the victims

Learn what they're about

Weaklings they all are

Come. I will tell

I am the conqueror

I am the one you fear

I am the atrocity

Unbelievable sickness

In my mind

First. I get to know one

I'll let it think that it know me

Once, you trust me, the nightmare will begin

You'll believe in me. I believe in it

Let the bludgeoning show my concern

My children

Pain is no real, only a dream

Fear not my blade
