LORD ADDU, MASTER OF THE EARTH AND SKY

LORD GIBIL, KEEPER OF THE FIRE AND FORGE

MAKE THE SWORDS APPEAR IN THE SKY THAT ALL
SHALL FEEL YOUR MIGHT

COMMANDER LUGGALDIMMERANKIA, MASTER OF
ORDER
BANUTUKKU,
I CALL TO THEE, HEARKEN AND REMEMBER
DELIVER THE LEGIONS OF WIND DEMONS UNTO THIS
WORLD THAT THEY MAY SEEK REVENGE

ZI DINGIR ANNA KANPAI
ZI DINGIR KIA KANPAI

I SUMMON THEE, CREATURES OF DARKNESS,
BY THE WORKS OF DARKNESS

CLIMATE CONTROLLER (the weather dominator)

[CHANT]

STORMS - manufactured to destroy
FIRE - striking down from the sky
WIND - sweeping all rocks and trees aside
LAVA - emerging out of volcanoes
QUAKES - shake the earth to split
DEATH - from the clouds

ARMIES - marching in to their doom
SPIRITS - plundering their very souls
IONS - displaced from deep inside
WEAPONS - of the Gods

[CHORUS:]
FUSION OF THE ANCIENT WAYS
WITH MODERN TECH SUPPORT
BRINGING ATMOSPHERIC CHANGE
MASTER OF CLIMATE CONTROL

CHANTING TO THE ANGRY GODS
SEEDING CLOUDS WITH ICE
CAUSING SHIFTS IN ETHER PLANES
MASTER OF CLIMSTE CONTROL

Incantation finished as the armies start to charge
Suddenly the air begins to take on many shapes
Demons of the Legion swarm to take revenge
Sheets of blindness tossing every human fool aside

NO THING LEFT TO COUNT NO BODIES
BLOOD STAINED EARTH AND STONE LIE SCATTERED

[CHORUS]

Aftermath of horror sends a message to the globe
Danger to the Empire will result in hells untold
Ripping both the flesh and soul of anyone who tries
To take with force the Realm of the one who rules the
skies

NO THING LEFT TO COUNT NO BODIES
BLOOD STAINED EARTH AND STONE LIE SCATTERED

[VERSE 1]

Keeping enemy troops in sight high above the fight
Armies destroyed watching with delight
Waiting patiently for an eye to subdue the sky
Counting the dead as they lie in waste
