From the edge / of outer regions  
Far beyond / out solar zone  
Exists an altered / sphere of power  
Earth and metal / machine of war  
Planet's crust / pierced by cables  
Linking networks / beneath the surface  
Titanium plates / shield of globe  
Cohesion of / the infrastructure  
Friction of / electromagnets  
Simulates / centrifugal force  
Massive gyros / beginning to turn  
Enforcing / acceleration  
Thrusters fire across the region  
Spewing forth nucleing plasma  
Worlds consumed / astral threat  
Perpetual horror / termination

Grid Zone

Brutality constructed / designed warface  
Perpetuating evil / awaits no more  
Intruding on / peaceful isolation  
Conformity crushed / Death is near  
Neutralize - chozen targets  
Essential suffering - terrorized

Grid Zone

Deceived diversion / blinded satellite cannot trace  
Mechanical malfunction  
Deteriorating systems by the interface  
Initial confrontation sleged by catastrophic annihilation  
Inferior world destruction  
Laser dogging penetration  
From the edge / of outer regions  
Far beyond / out solar zone  
Exists an altered / sphere of power  
Earth and metal / machine of war  
Light years traveled / forming an unreal path  
Sons of galactic destruction  
Creating a vacuum / crushing the globe  
Devouring the energy dispersed

Seeker of impending doom  
Completing an eternal cycle  
Worlds consumed - astral threat  
Perpetual horror - termination
