Bones crushing
Skulls smashing
In the Vice
Of hell
Demons shoving
Tortured souls
In the lake
Of fire
(Chorus 3 Times)
Lake of fire
Spirits forming
Ever swirling
In the abyss
Of hell
Souls screaming For their lives
In the lake
Of Fire
(Chorus 3 Times)
Lake of fire
Demons swarming
Corpses smashing
Through the gates
Of hell
Satan flying
From his throne
Towards the gates
Of Heaven
