Don't you wanna be a freak?
Wanna be a freak?
Wanna be a freak?
Don't you wanna be freak?
Welcome to the freak show

Wanna be a freak?
Wanna be a freak?
Welcome to the freak show
Welcome to the..
Welcome to the..
Welcome to the freak show

See you over there givin' me the eye
Tell me what you want
Tell me what you like
Do I turn you on?
Can I take you high?
Say the words "m yours" tonight

Beads of sweat run down your neck
As we're dancin' on the floor
They all stare but we don't care
We're makin' them want more

Freak boy make some noise
Lose your head and raise your voice
About to take control
Let it go
Welcome to the freak show
Welcome to the..

Freak boy feel the beat
Make your move and cause a scene
About to let 'em know
Let it go
Welcome to the freak show
Welcome to the freak show
Welcome to the..

Freak boy make some noise
Lose your head and raise your voice

About to take control
Let it go
Welcome to the freak show
Welcome to the freak show
Oh oh oh

I wanna be a freak (to the beat)
I wanna be a freak (to the beat)
I wanna be a freak (to the beat)
Donâ€™t you wanna be a freak? (to the beat)

I wanna be a freak (to the beat)
I wanna be a freak (to the beat)
I wanna be a freak
Donâ€™t you wanna be a freak?

Can you feel the bass?
Makinâ€™ my heart race
Lose yourself tonight
Iâ€™ll get lost in your eyes
Lost in your eyes

I wanna be a freak (to the beat)
I wanna be a freak (to the beat)
I wanna be a freak (to the beat)
Donâ€™t you wanna be a freak? (to the beat)

I wanna be a freak (to the beat)
