Hello, my fellow man
You look like youâ€™ve had it rough
You look like your story ainâ€™t been kind to you
Have you known the pain?
Do you even have a name?
What do you have that makes you worth my time?

You look, to me, like a man of crimes

Do not hold back love
From those who deserve it
When youâ€™ve got the opportunity to act
Everyone deserves
To be treated well by you
Everyone deserves your love

Hello, my sister
You are the face of a nameless race
Of lust and lies and alcohol and drugs

But whatâ€™ve I got that makes me better?
Iâ€™ve still got my vices
What is it that makes me think
Iâ€™m worth more than another?

Everyone deserves your love
Everyone deserves your love
No matter where theyâ€™re coming from
No matter about the things theyâ€™ve done
Everyone deserves your love
