Be merciful to me, O God  
For I am under attack  
My enemies slander me  
All day long  
In their pride theyâ€™re bringing me down  
All day long

When I am afraid Iâ€™ll trust in you  
In you, whose word I praise  
In you I trust; what could man do to me?â€”I will not be  
afraid

My enemies are plotting against me  
Eager to take my life  
They devise their schemes and mark my steps  
All day long  
They twist my words to bring me hurt  
All day long

For you have delivered me from death  
And set my feet on solid ground  
So that I could walk before youâ€”In your light
