Hoh, huh, come on
Look behind the curtain, I still don't understand
Was it misdirection or is it just sleight of hand?
Is your illusion playing tricks on my mind?
In my confusion losing, track of the time
How do you do it? How do you do it? (Oh)
How do you do it? There's nothing to it
How do you do it, how do you do it? (Oh)
How do you do it?
She moves like magic on the floor
Always leave 'em wantin' more
She got nothin' up her sleeve
I don't know what to believe
She moves like magic on the floor
Leave 'em kiss and never sure, sure
She be looking to deceive
I don't know what to be believe
She moves like magic on the floor
Shes like magic, magic on the floor
looking in mirrors
leaving me Hypnotized
Now im seeing clearer
i be feeling the vibe
and when you're dancing keep the music alive
how do you get that magic,
magic look in your eye
How do you do it? How do you do it? (Oh)
How do you do it? There's nothing to it
How do you do it, how do you do it? (Oh)
How do you do it?
She moves like magic on the floor
Always leave 'em wantin' more
She got nothin' up her sleeve
I don't know what to believe
She moves like magic on the floor
Leave 'em kiss and never sure, sure
She be looking to deceive
I don't know what to be believe
she moves like magic on the floor
(ohh,oh)
How do you do it? How do you do it? (Oh)
How do you do it? There's nothing to it

How do you do it, how do you do it? (Oh)
How do you do it?
She moves like magic on the floor
Always leave 'em wantin' more
She got nothin' up her sleeve
I don't know what to believe
She moves like magic on the floor
Leave 'em kiss and never sure, sure
She be looking to deceive
I don't know what to be believe
She moves like magic on the floor
Always leave 'em wantin' more
She got nothin' up her sleeve
I don't know what to believe
She moves like magic on the floor
Leave 'em kiss and never sure, sure
She be looking to deceive
I don't know what to be believe
she moves like magic on the floor,floor
