I want love to roll me over slowly  
Stick a knife inside me and twist it all around  
I want love to, grab my fingers gently  
Slam them in the door way, put my face into the ground  
I want love to, murder my own mother and  
Take her off to somewhere, like hell or up above  
And I want love to, change my friends to enemies,  
change my friends to enemies  
Show me how it's all my fault

No I won't let love disrupt, corrupt or interrupt me  
I won't let love disrupt, corrupt or interrupt me  
Yeah I won't let love disrupt, corrupt or interrupt me  
Anymore

I want love to walk right up and bite me  
Grab a hold of me and fight me, leave me dying on the  
ground  
And I want love to, spit... opening, cover up my ears  
and never let me hear a sound  
I want love to forget that you offended me,  
Or how you had defended me when everybody taught  
me down  
And I want love to, change my friends to enemies,  
change my friends to enemies  
Show me how it's all my fault

No I won't let love disrupt, corrupt or interrupt me  
I won't let love disrupt, corrupt or interrupt me  
Yeah I won't let love disrupt, corrupt or interrupt me  
Anymore
