a special few of friendship
we seem to have no choice,
for each has made an impact
memory will live with us for forever
These people we call friends.
You, to me, are such a one.
friendship like tree
sends its roots down deep
so when the storms of life abound
and the winds of adversity blow,
it shakes and bends
and goes with the flow
but doesn't break or fall
every minute spent angry is sixty seconds of happiness
wasted.
we want live forever young
b'cuz we are young
Every story LOVE starts with a SMILE ,
grows with a KISS
, and ends with a TEAR.
so let stay A BEST FRIEND
is like a four leaf clover
, HARD TO FIND Good FRIENDS are hard to find,
harder to leave,
and impossible to forget.
