Whoa, oh why why

Câ€™™ mon, câ€™™ mon

Oh ooo why, yeah

Verse 1:

Just touched down from a very long flight

Itâ€™™ s been some time

Since my heart has beat this fast

But yes I know why, yeah

Cuz Iâ€™™ m bout twenty minutes away from home

Cab driver, do you know any other shortcut

Once I get thru the door you already know what  
weâ€™™ re gonna do

Pre-Chorus:

Close your eyes, squeeze my hands

Brush your cheek against my face

Boy letâ€™™ s bless every song

Pick me up, Iâ€™™ ll let you take

Every corner, every inch

Donâ€™™ t stop staring in my eyes

Post me up on the wall, get a real good grasp

Donâ€™™ t let me fall, fall, fall

Chorus:

Get ready weâ€™re gonna close the blinds

Just stay in all day, do it do it

Light the candles; weâ€™ll ignore the sun 24/7

Do it, Do it

Try a million things some new way

Why you still got your shirt on? Lose it

Be honest, you want it, donâ€™t have to rush

All day All day do it, do it

Verse 2:

All the neighbors just gonna have to complain tonight,  
yeah

Let em go ahead call the cops on us if they like, yeah

When they come knockin by then, weâ€™ll be lost

Phone off the hook so we donâ€™t need to pause

See every bit of my four kisses on you

Baby, close your eyes

Pre-Chorus:

Close your eyes, squeeze my hands

Brush your cheek against my face (against my face)

Boy letâ€™s bless every song

Pick me up, Iâ€™ll let you take (pick me up, Iâ€™ll let  
you taste boy)

Every corner, every inch

Donâ€™t stop staring in my eyes (staring in my eyes)

Post me up on the wall, get a real good grasp

Donâ€™t let me fall, fall, fall

Chorus:

Get ready weâ€™re gonna close the blinds

Just stay in all day, do it do it

Light the candles; weâ€™ll ignore the sun 24/7

Do it, Do it

Try a million things some new way (hoh oh why)

Why you still got your shirt on? Lose it (hoo ooo why)

Be honest, you want it, donâ€™t have to rush

All day All day do it, do it (Ooo baby letâ€™s do it)

Bridge:

Rewindin, replayin

What Iâ€™m ready to do it mind

So anxious, itâ€™s crazy

I can feel it heating up inside

Ooo woo when Iâ€™m ready to act it out boy

We about to be the stars of our own show

But first letâ€™s hold on a minute cuz

I think itâ€™s time we lock the doors

Chorus: (2x)

Get ready weâ€™re gonna close the blinds

Just stay in all day, do it do it

Light the candles; weâ€™ll ignore the sun 24/7

Do it, Do it

Try a million things some new way

Why you still got your shirt on? Lose it

Be honest, you want it, donâ€™t have to rush

All day All day do it, do it
