Looking back on my life  
It doesn't seem to be very clear  
When I've lost my fear  
I've lived my life  
I've taken my chances  
Staring down mu reflection  
Sometimes, I feel like I've lost my mind  
It's a waste of time  
I'm asking you  
but I never get an answer  
I'm falling in  
I'm falling out  
I'm walking a straightened arrow?  
I'm falling in  
and I'm falling right out  
I'm breaking down again  
CHORUS  
I never thought you'd hear me say:  
"I'm better now, so I don't need your sympathy"  
So taking this life day by day  
I'll be indifferent  
Indifferent  
I never thought you'de hear me say:  
"I'm better now, no, I'm nobody's tragedy"  
I'm taking this life day by day  
to be indifferent  
I'm indifferent  
As I turn to look to the future  
I see my life in a different way  
It's a brand new day  
A stretch of road  
Uscathed I'm taking  
The only thing on my mind  
Is leaving this place so far behind  
'Cause it's my time  
I'll find a better way  
To keep myself from breaking  
I'm falling in  
I'm falling out  
I'm walking a straightened arrow?  
I'm falling in  
and I'm falling right out

I'm breaking down again

CHORUS

I never thought you'd hear me say:

"I'm better now, so I don't need your sympathy"

So taking this life day by day

I'll be indifferent

Indifferent

I never thought you'd hear me say:

"I'm better now, no, I'm nobody's tragedy"

I'm taking this life day by day

to be indifferent

I'm indifferent

INSTRUMENTAL

CHORUS

I never thought you'd hear me say:

"I'm better now, so I don't need your sympathy"

So taking this life day by day

I'll be indifferent

Indifferent

I never thought you'd hear me say:

"I'm better now, no, I'm nobody's tragedy"

I'm taking this life day by day

to be indifferent

I'm indifferent

I'M! Indifferent!

Oh-OHOH!

I'M! Indifferent!
