"Stand Up and Shout"

It's the same old song
You've gotta be somewhere at sometime
And they'll never let you fly

It's like broken glass
You get cut before you see it
So open up your eyes

You've got desire, so let it out
You've got the power, stand up and shout
Shout, stand up and shout

You've got wings of steel
But they never really move you
You only seem to crawl

You've been nailed to the wheel
But never really turning
You know you've got to want it all

You've got desire, so let it out
You've got the power, stand up and shout
Shout, stand up and shout, let it out

You are the strongest chain
And you're not just some reflection
So never hide again

You are the driver
You own the road
You are the fire go on explode

You've got desire, so let it out
You've got the power, stand up and shout
Stand up and shout, let it out
Stand up and shout
