You're all over my face

This is your place

You wannabe!

You're running your big mouth

You're gonna get knocked our

You wannabe!

You step into my life

And I rock it big time

You wannabe!

Don't think you can beat me

You'll never defeat me

You're pushing me!

You wannabe!

I stand undaunted.

You gonna see

I am undaunted.

Kill!

Don't think you can shake me

'cause you'll never break me

You wannabe!

You only get one round

It's time for the takedown

You wannabe!

You're talking the big talk

But I walk the big walk

You wannabe!

You'll never forget me

You'll live to regret me

You're pushing me!

You wannabe!

I stand undaunted.

You gonna see

I am undaunted.

Can't you walk away

Don't you look at me

Listen what I say

You're just a wannabe!

Just walk away

Don't you look at me

Listen what I say

The fear inside of me!

[Mike Orlano's solo]
I stand undaunted
You gonna see
I am undaunted
Don't look back, just walk away
I stand undaunted
You wannabe
I am undaunted.
