Baby baby you don't understand
How much I love you baby
How much I wanna be your only man
And baby baby baby baby you don't have to go
Stay a little while longer baby, I wanna talk to you just a
little more

I see the little tears in your eyes, about to fall
You are wondering, if I'm for real

But if you cry, I wonder why you cry
I tell you no lie, this how I feel
Oh, baby I'm for real (hook)

Do do do do do do
Do do doooh

And baby baby baby baby you don't have to go
Stay a little while longer baby
Hold me baby, love me baby, yeah yeah yeah
This is how I feel about your love

But if you cry, I wonder why you cry
I tell you, tell you no lie, this how I feel
You need to know, baby I'm for real
So real, baby baby baby baby girl

Baby I'm for real
Baby I'm for real

But if you wanna know the truth about it
Girl I just can't live without it and that's why I'm
professing my love to you
So I can live my whole life with you
Do do do do do
Do do do do do do

Baby I'm for real
Baby wipe the tears from your eyes
Now you wont have to cry no more
Baby I'm for real

Darlin hey yea baby

Take to the sky on a natural high
Loving you more till the day I die
Take to the sky on a natural high
I'll be loving you kissing you telling you why

Repeat Hook 2X
