Aw randy ran what's up. we talkin bout girlies

If you think your wrong, then you know your right Gettin into my buisness, just ain't satisfied Better stop dippin girl It don't become of you You got too much time on your hand oh baby

If your lovin me
Keep on lovin me
Don't let this silly girl distract you from me
All she wants is
To get you away from me, don't fall into that trap

He said, she said, we said, we don't need it He said, she said, we said we don't need it. (hook)

I know you want me
But you can't have me
My love is tied up with my girl right now
You told her you saw me
Just the other day, kickin it with the invisible woman

How could you try such a silly willy game The two of us we're not havin it no way My sweet heart is my only lover Don't play me like a sho nuff fool nooooo

(aw kevon here they come talkin that mess) (wait a minute, can I say somethin, The girlie ain't got no buisness in my buisness) (that's right)

Repeat hook 2x
