Hey lady, yes I've been watching you with your sweet
and
Sexy ways I know you're checking me too and I noticed
that
Certain look in your eyes, says to me boy jump right on
it don't let
This pass you by

Well I know what I like and I like what I see ooh you keep
a
Fire burnin inside of me, it's a feeling I get when I'm
lost in
Your eyes finally ooh I realized

I like it can't fight it this feeling's a fact ooh you drive
me
Crazy and I like it like that, I like it can't fight it and
that's
Where I'm at ooh you keep me comin and I like it like
that

Call me crazy why I'm so into you, cause you play me
like you
Don't when I know that you do. while you're playin girl
just
Keep working my mind, don't give in too easy we've got
plenty of time

Well I know what I like and I like what I see girl I'm crazy
Bout ya and I'm willing to please it's a feeling I get
when i'm
Lost in your eyes finally ooh I realized

[chorus]

I like what you do to me, the feeling you give to me the
way

You move me no one else, and nothing compares to
you

The way that you do, the things you do to me there's no
one
Like you, as far as I can see all you got to do is call on
me

[chorus]
