Wow we are fried!

Mary jane, I feel silly when you pass me way.  
You know I feel the same,  
I come around here for another day.  
You wont cause me trouble,  
You always seem to be my source of pain...  
Relief!  
Oh! oh!  
I'm not like you, baby I'll change.

And I say, watcha doin to day? But you wanna go  
There's this place I know where we can rock,  
Maybe roll alittle, take my hand it's not that far.

Here my friends, please don; t be alarmed,  
But they want some of what you got,  
So make with the goods and maybe we'll write you a  
song.

CHORUS:

M-M-M-M Mary-Jane!  
I feel silly when you pass me way,  
You know I feel the same,  
Come around here for another day,  
You wont cause me trouble,  
You always seem to be my source of pain,  
Relief!  
Oh! oh!  
I'm not like you, baby I'll change

Ooh crime, is on my mind and tonight  
Well I just might change the world,  
With a little bit of luck, give the place,  
And the time is right,  
Hear my words, they may sound absurd,  
But some people still got to learn,  
That we're not to be harmed,  
Remove your walls, and all your concerns

CHORUS:

M-M-M-M Mary-Jane!  
I feel silly when you pass me way,  
You know I feel the same,  
Come around here for another day,  
You wont cause me trouble,  
You always seem to be my source of pain,  
Relief!  
Oh! oh!  
I'm not like you, baby I'll change
