Yeah yeah hey,
Oh ohhh
Yeah yeah, yayyy
Desperate, and in love
I was young and I just couldnâ€™t get enough
Gave you my love and fancy things
You gave your love away for free
And kept it quiet, you snuck around
But I know youâ€™re in the bedroom gettingâ€™ down
You probably think youâ€™re good with lies,
But, baby, secrets never hide
I can almost hear you say
[Chorus]
You canâ€™t catch me, na na na na na
Try and find me, na na na na na
Youâ€™ll never find me, try to find me
With a secret lover, oh itâ€™s impossible X 2
Baby, you broke my heart,
Now I realize itâ€™s been broken from the start
I used to think that love was real
Now I feel the way you feel
Oh, heated, with secret lust
With passion I embrace a simple touch
It only leaves me wanting more
Now youâ€™re not my only
Ahahaha, what a whore
Everybodyâ€™s got something to hide
Youâ€™re not the only one good with lies
[Chorus]
You canâ€™t catch me, na na na na na
Try and find me, na na na na na
Youâ€™ll never find me, try to find me
With a secret lover, oh itâ€™s impossible X 2
They say the truth will set you free
But I donâ€™t think that is true
Cause the truth has shattered me
It turned me into you
I can almost hear you say
[Chorus]
You canâ€™t catch me, na na na na na
Try and find me, na na na na na
Youâ€™ll never find me, try to find me

With a secret lover, oh it's impossible X 2
