I'm sorry, Patty...
It's nothing against you.
But, Patty...
There's something I should tell you.
My door,
My door,
My door just does not,
Swing that way.
(Swing that way!)
So perhaps it would be best,
Yes, perhaps it would be best,
To cue Zebrak,
(Zebrak)
Cue Zebrak,
(Zebrak)
If you want to seduce me,
I'm so sorry, Patty,
But you'll have to cue Zebrak.
(sax solo)
So perhaps it would be best,
Yes, perhaps it would be best,
To cue Zebrak.
