Rolling...

Wooo...

Is this the soul that'll die with or,

A love that I'll buy in, I'm trying to find myself an
answer.

Is this a heart I can trust, and slam the door as I rushed
in,

I'm wondering how I can live without you.

Ahhhh ahh ahhhhh ahh...

Falling in love with you.

Ahhhh ahh ahhhhh ahh...

Falling in love with you.

It's just a matter of time, before I know wrong from
right

And I fight for a while, until it finds me.

Can't help but dwell on the past, don't make a song and
a dance take a chance, til our heart is broken...

Ahhhh ahh ahhhhh ahh...

Falling in love with you.

Ahhhh ahh ahhhhh ahh...

Falling in love with you.

OH! Cupid got me in a chokehold,

I tried to run, but I was too slow.

Cupid got me in a chokehold,

I tried to run, but I was too slow.

OH! Cupid got me in a chokehold,

I tried to run, but I was too slow

Cupid got me in a chokehold,

I tried to run, but I was too slow, Oh...

Another night in the cold, another question unfolds

All alone, writing codes all over paper.

All of these thoughts trapped inside me,

Wrapped around me so tightly, it's frightening,

How I can't live without you

Ahhhh ahh ahhhhh ahh...

Falling in love with you.
(I'm falling, I'm falling in love)
OH! Cupid got me in a chokehold,
I tried to run, but I was too slow.
Cupid got me in a chokehold,
I tried to run, but I was too slow.
OH! Cupid got me in a chokehold,
I tried to run, but I was too slow.
Cupid got me in a chokehold,
I tried to run, but I was too slow.
I tried to run, but I was too slow.
I tried to run, but I was too slow.

OH! Cupid got me in a chokehold,
I tried to run, but I was too slow.
Cupid got me in a chokehold,
I tried to run, but I was too slow.
OH! Cupid got me in a chokehold,
I tried to run, but I was too slow.
Cupid got me in a chokehold,
I tried to run, but I was too slow.
