Watching the rain flowing on the window
My reflection seems to be crying...
If you don't love me, I won't stop you
The time is approaching
When I can no longer pretend not to notice
My heart is screaming

Sayonara, I won't see you again
Sayonara, I've made up my mind
I can't be a woman who will do whatever you want
Set me free

Your voice that I hear through the phone
You are being too thoughtful
That isn't kindness
Don't prolong the present with lies
I hate myself for still having these feelings for you

Sayonara, I won't see you again
Sayonara, I have to accept it
The picture of us that I loved so much is now face down
Set me free

Sayonara, I won't see you again
Sayonara, I've made up my mind
I can't be a woman who will do whatever you want

Sayonara, I won't see you again
Sayonara, I have to accept it
Those memories that bound me
Are now quietly
Sleeping...
Set me free
Set me free
