Shatsu no sode wo kuguru midori no natsu no kaze ga
Kata made kitta kono kami wo sukoshi gaki midasu

Kotoshi mo sora ni saita ooki na hanabi miage
Tonari de warau anata to futari mi todoketa

Itsutsumo kisetsu wa sugi toki ni wa kizutsuke ai
Tooi namida ima wa mou mune no arubamu ni

Chiisana ano heya de itsumo haru kana sora ni
Mugen no yume wo futari egaiteitane

Deaito wakare no naka tsunaida kono te ni ima
Kanjiteiru nuku mori wa sutto shinjirareru

Natsu no kioku sono egao mune no arubamu ni...

We'll be together forever
Just the two of us...
