"Itsu oete mou ii"
Fuyu no tori no you ni yorisotte
Shizuka ni atataka na kokoro
Anata wo omou toki watashi wa watashi de irareru

Kono koi dake wa kanaetai... sou negatta
Tooi hi wa ima mo kokoro ni kazatta mama de
Anata wo mimamoru shizuka ni sou aritai

Itsu shika jounetsu mo rekishi ni oki kaerareru
Setsunasa to koishisa no utsukushii hibi
Nanimo kuyande wa inai anata wo aishita koto
Michitarita kokoro no toiki

Hanabie no haru unmei no koibito to
Anata ga shiawase de aru you ni inotteru
Shizen to kuchi kara kobareta saigo no kokuhaku

Itsu shika jounetsu mo shinjitsu no katachi ni naru
Kanashimi wo haranderu utsukushii hibi
Nanimo kuyande wa inai anata wo miokuru koto
Tada mou sukoshi koko ni isasete

Itsu shika jounetsu mo rekishi ni oki kaerareru
Setsunasa to koishisa no utsukushii hibi
Nanimo kuyande wa inai anata wo aishita koto
Michitarita kokoro no toiki
