I miss your face, I miss your voice
I need you back to me
Everything in you
Is driving me insane
I miss your face, I miss your voice
I need you back to me
Everything in you
Is driving me insane

I lost you I want you back
I need you just like that
Everything was okay
Until you went away
I see your face everywhere
I wish I can stop my brain
Reminding me of you
Because I am so insane

(I miss you)
I miss your face, I miss your voice
(So bad)
I need you back to me
(I'll go back)
Everything in you
(To the past)
Is driving me insane
(I miss you)
I miss your face, I miss your voice
(So bad)
I need you back to me
(I'll go back)
Everything in you
(To the past)
Is driving me insane

Oh I wish I can go back
To the time where I had
You belong to me
I need a time machine
Oh I wish I can go back
To the time where I had
You belong to me

I need a time machine

I had a dream last night
Everything looks dark
What I see is only you
It's the worse nightmare
I always remember your face
I see you around everywhere
I want to see the real you
I need a time machine

(I miss you)
I miss your face, I miss your voice
(So bad)
I need you back to me
(I'll go back)
Everything in you
(To the past)
Is driving me insane
(I miss you)
I miss your face, I miss your voice
(So bad)
I need you back to me
(I'll go back)
Everything in you
(To the past)
Is driving me insane

Oh I wish I can go back
To the time where I had
You belong to me
I need a time machine
Oh I wish I can go back
To the time where I had
You belong to me
I need a time machine

I wish I can go back
To the time where I had
You belong to me
I need a time machine
Oh I wish I can go back
To the time where I had
You belong to me
I NEED A TIME MACHINE!

(I miss you)
Oh I wish I can go back
To the time where I had
You belong to me
I need a time machine

Oh I wish I can go back
To the time where I had
You belong to me
I need a time machine

I wish I can go back
To the time where I had
You belong to me
I need a time machine
Oh I wish I can go back
To the time where I had
You belong to me
I NEED A TIME MACHINE!
(I miss you..)
