How am I supposed to know he was a heartbreaker
I didn't know, I couldn't know ..all the..Oh Lord, I want it
back

The real, how I was supposed to know his sweet love
would make me cry, oh lord

How was I supposed to know you give me my heart
Mama couldn't tell me about the feeling

And all..well this song well it captured me, me me ..

Oh why why did i have to cry oh why babe ..

How was I supposed to know to give me my
heartbreaker

How was I supposed to know that youâ€™d be my
heartbreaker

How was I supposed to know you were my heartbreaker

Oh I didn't know, I didnâ€™t know, now Iâ€™m feelin
lonely I want it back

Who ever said that which who were never meant..

I tell you how I know you wrong, I fucked you up

I know the right things now, Iâ€™ll fight the planet

Why, why, did happen..why OH why baby.

How was I supposed to know you were a heartbreaker

Heyyyyyy, how was I supposed to know you were a
heartbreaker

Oh oh I know, I didn't know I didn't know Iâ€™d feel this
bad and I want to die..

Ohh I wanted to grow old with you..you told me so, but
then you goâ€¦!

How was I supposed to know ohhhhhh
