I said something
You took it the wrong way
I know this time
Its just another day
I push and shove
It all comes back to you
This time around i will not be the fool

This time this time well do it my way
That's the only way
This time this time this time i wont throw it all away
I wont turn and run away
I wanna learn to hide the pain
This time this time well do it my way
That's the only way
This time this time this time i wont throw it all away
I wont turn and run away
I wanna learn to hide the pain
Time

You make me mad
You get on my nerves
So sad to see
Youre no good for me
Do this do that i can't stand all this crap
Because i don't love you anymore

This time i will do it my way
That's the only way
This time this time this time i wont throw it all away
I wont turn and run away
I wanna learn to hide the pain
This time i will do it my way
That's the only way
This time this time this time i wont throw it all away
I wont turn and run away
I wanna learn to hide the pain
This time
This time
This time
