Felt beautiful, Uninhibited,
Didn't feel wrong bout anything we did,
Like a mountain, You're my habitat,
Like a sunset, Won't see me glow like that,
Like a young vine, Got tangled up in you,
(Got tangled up in you)

Just lay beside me,
We'll pretend that it's not over,
If you just hold me tight enough,
Didn't surprise me,
But just let me feel your pulse,
Against my chest one last time,
It's only natural to pine,
For your warm skin on mine,
So hold me, hold me, hold me,
Just hold me one last time.

Felt natural, no boundaries,
To tell you what you could and couldn't see,
Like a mountain, You're my habitat,
Like fast train, Baby I'm your tracks,
Like a young vine, Got tangled up in you,
(Got tangled up in you)

Just lay beside me,
We'll pretend that it's not over,
If you just hold me tight enough,
Didn't surprise me,
But just let me feel your pulse,
Against my chest one last time,
It's only natural to pine,
For your warm skin on mine,
So hold me, hold me, hold me,
Just hold me one last time.

Like a fast breath, Without myself,
Like a mirror, The curves of someone else,
Like a whisper, in someone else's ear...

Just lay beside me,
We'll pretend that it's not over,

If you just hold me tight enough,
Didn't surprise me,
But just let me feel your pulse,
Against my chest one last time,
It's only natural to pine,
For your warm skin on mine,
So hold me, hold me, hold me,
Just hold me one last time.
Just hold me one last time,
Just hold me...
