He comes walkin in,  
Lookin for a ten,  
But I sure as hell ain't doing that again.  
So look the other way,  
This ain't gonna be your day,  
Cause I know your games,  
And I'm not gonna play.

He made me tough as nails,  
And my heart's not up for bail,  
So find someone else to screw around.  
Don't have to send my dad,  
Cause I'm so damn mad,  
I've learned to pull that trigger down.  
And you can tell me that you're sorry,  
But I won't believe you now,  
I'm not falling this time around.

Burned me nice and slow,  
Like a cigarette,  
Guess I shoulda known and expected less,  
Those big green eyes,  
Little white lies,  
And now I curse the day we met.

He made me tough as nails,  
And my heart's not up for bail,  
So find someone else to screw around.  
Don't have to send my dad,  
Cause I'm so damn mad,  
I've learned to pull that trigger down.  
And you can tell me that you're sorry,  
But I won't believe you now,  
I'm not falling this time around.

A little angry,  
A little crazy,  
And I've knocked back a few,  
So don't come closer if you know what's good for you!

He made me tough as nails,  
And my heart's not up for bail,

So find someone else to screw around.  
Don't have to send my dad,  
Cause I'm so damn mad,  
I've learned to pull that trigger down.  
And you can tell me that you're sorry,  
But I won't believe you now,  
I'm not falling this time around.

Gonna break some hearts before sundown,  
Yeah your hands ain't on me now,  
I'm not falling this time around.
