All I do the whole day through  
Is dream of you  
And with the dawn  
I still go on dreamin' of you  
You're every thought  
You're everything  
You're every song I ever sing  
Winter, summer autumn and spring.  
And were there more  
Than twenty-four hours a day,  
They'd be spent in sweet content  
Dreamin' away

When skies are gray  
When skies are blue  
Morning, noon and nighttime too  
All I do the whole day through  
Is dream of you...

When skies are gray  
Skies are blue  
Morning, noon and nighttime too  
All I do the whole day through  
Is dream of you...

All I do is dream of you...  
I keep dreamin' of you  
You're every thought  
You're everything  
You're every song I ever sing  
Winter, summer, autumn and spring.  
And were there more  
Than twenty-four hours a day,  
They'd be spent in sweet content  
Dreamin' away  
When skies are gray  
Skies are blue  
Morning, noon and nighttime too,  
All I do the whole day through.
