"Gift Of Love"

A gift that we all have
A gift that is expressed every day
A gift that you've been born with
And that can't be taken away

A gift that makes people smile
A gift that is forever
That tells you that when times are dark
They will always get better

It is the gift of love
The most important gift of all
That gives you strength
To help you to stand tall

It is the gift of love
The most precious gift of all
That says you're not alone
Even when you fall

Whether it's a kiss, a hug, or just hello
It's the gift that makes you grow

A gift that's always true
A gift that understands
A gift that makes you know
When someone needs a hand

A gift that makes you see
beyond what's going on
That even if you've made mistakes
It's there to make you strong

It is the gift of love
The most important gift of all
That gives you strength
To help you to stand tall

It is the gift of love
The most precious gift of all
That says you're not alone
Even when you fall

Whether it's a kiss, a hug, or just hello
It's the gift that makes you grow

It's the gift that will never ever fade
And will be around even when things change
It's the gift that makes you understand reality
And when you sow it, it is what you'll reap

It is the gift of love
The most important gift of all
That gives you strength
To help you to stand tall

It is the gift of love
The most precious gift of all
That says you're not alone
Even when you fall

Whether it's a kiss, a hug, or just hello
It's the gift that makes you grow

It's the gift that makes you grow
