Lately, I've been thinking bout you.
Baby, you don't know what I'm going through.
But every time, when I look at your face,
I forget about all my problems, baby, cause you lighten
up my days

Bridge1

Cause whenever I'm with you it feels so right
that's why i ask you this one question, girl,
won't you please be mine

[chorus]

Cause I'm fallin' for you
Girl, you're the one I choose
whatever you ask, I'll do
Cause I care so much about you

You're always on my mind
I need you to be by my side
I want you to be mine, oh mine
For all time

So beautiful are those sparkling eyes
So wonderful; with you i'll never ever cry
I want you to know, you're the one I'll always treasure
how else can I show that we've got something special

Bridge2

Girl I know this may be hard to understand.
That's why I ask of you one chance to let me be your
man

[chorus]

Cause I'm fallin' for you
Girl, you're the one I choose
whatever you ask, I'll do
Cause I care so much about you

You're always on my mind
I need you to be by my side
I want you to be mine, oh mine

Girl I know this may be hard to understand.
That's why I ask of you one chance to let me be your
man
Cause whenever I'm with you it feels so right
that's why i ask you this one question, girl,
won't you please be mine

[chorus] x2
Cause I'm fallin' for you
Girl, you're the one I choose
whatever you ask, I'll do
Cause I care so much about you

You're always on my mind
I need you to be by my side
I want you to be mine, oh mine
For all time

You're always on my mind
I need you to be by my side
I want you to be mine, oh mine
For all time
