I've had this sweet obsession  
Ever since I remember  
I want it, got to have it  
If it's wrong, it don't matter

Oh want you shakin' in your bones  
Oh want you shakin' in your bones

I've got my plan in action  
Casting my spell right at ya  
I act so innocent but  
Just wait until I have ya

Oh want you shakin' in your bones  
Oh want you shakin' in your bones

I'm sick I'm dangerous, oh  
and I'm coming close  
Sleep with the lights on baby  
You're the one I chose  
I've got a taste for blood  
There's nowhere left to go  
You will give in to me your under my control

Falling Under  
(Bring the beat back)

You think you've won me over  
Just wait till you discover  
I'll break your heart and mount it  
On the wall with all the others

Oh want you shakin' in your bones  
Oh want you shakin' in your bones

I'm sick I'm dangerous, oh  
and I'm coming close  
Sleep with the lights on baby  
You're the one I chose  
I've got a taste for blood  
There's nowhere left to go  
You will give in to me your under my control
