Put your dukes up
Loving me's like a battle scene
From the start you fought the war for me
Now it's my turn babe

We found love
We fought hate
We looked fear in its face
Now I'll walk through the fire

For you I am a fighter, fighter, fighter
Your love it takes me higher, higher, higher
I've been down but now
I'm swinging back, I'm swinging back
For you I am a fighter, fighter, fighter
And I'm never tapping out

I will keep on soldiering
I won't let you fall
Oh, together as a team
We're unstoppable

We found love
We fought hate
We looked fear in its face
Now I'll walk through the fire

For you I am a fighter, fighter, fighter
Your love it takes me higher, higher, higher
I've been down but now
I'm swinging back, I'm swinging back
For you I am a fighter, fighter, fighter
And I'm never tapping out

I'll try to pull the punches till the time is right, I know
To see the light, I'll sacrifice
Battling I can see we're gonna win this war

For you I am a fighter, fighter, fighter
Your love it takes me higher, higher, higher
I've been down but now
I'm swinging back, I'm swinging back

For you I am a fighter, fighter, fighter
And I'm never tapping out

For you I am a fighter, fighter, fighter
Your love it takes me higher, higher, higher
I've been down but now
I'm swinging back, I'm swinging back
For you I am a fighter, fighter, fighter
And I'm never tapping out
