She rolled up with her top down
Makeup like a hot clown, yessiree
Think I know why she hates me
Her crush is crushin' on me

She'll wind up in some bathroom confessional
Spilling her heart to some frat boy
Who just wants to get sexual

And all the boys
Talk talk to me
Talk
Talk talk to me
Talk
Talk talk to me
Talk talk
How you like me now?
How you like me now?
(2x)

She took shots playing flip cup
She needs help just to stand vertically
I can walk in a straight line
And she looks like a fool next to me

She'll wind up in some bathroom confessional
But when guys kiss me
It's completely intentional

And all the boys
Talk talk to me
Talk
Talk talk to me
Talk
Talk talk to me
Talk talk
How you like me now?
How you like me now?
(2x)

White girl (WASTED!)
Frat boy (WASTED!)

Love is in the air but she's too drunk to taste it
Add another name to the frenemies list
Drink Four Loko till you're clinically sick
White girl (WASTED!)
Frat boy (WASTED!)
Love is in the air, and baby I can taste it
Me and her boy sitting under the stars
While she's passed out sharpied in the back of a car

And all the boys
Talk talk to me
Talk
Talk talk to me
Talk
Talk talk to me
Talk talk
How you like me now?
How you like me now?
(2x)

(Oh my god, they're playing my song!)

And all the boys
Talk talk to me
Talk
Talk talk to me
Talk
Talk talk to me
Talk talk
How you like me now?
How you like me now?
(2x)
