Oh baby
Oh baby
Telling me you love me
You must think I'm crazy
You must be sleep talking
You best be sleep walking
out the front door and just keep walking

You don't know me
You don't love me
All you're every saying is
"Yo, I'm sorry"
Like I should keep hurting
You've got the wrong person
Made up my mind and I'm goddamn certain I'll

Shake shake shake you off my shoulder baby
Fall down down down till you crash and break
And for me
I'll live to love again
Make make making all the boys go crazy
Love love love it when you say you hate me, I
I'll live to love again

Stop calling
Stop texting
Blowing up my phone, no
I learned my lesson
You're such a smooth talker?
Well watch this girl walk her
Pretty ass away and tell ya don't call her

You don't know me
You don't love me
All you're every saying is
"Yo, I'm sorry"
Like I should keep hurting
You've got the wrong person
Made up my mind and I'm goddamn certain I'll

Shake shake shake you off my shoulder baby
Fall down down down till you crash and break

And for me
I'll live to love again
Make make making all the boys go crazy
Love love love it when you say you hate me, I
I'll live to love again

You let my love down hard
And I found out that I
Have a bullet proof heart

Shake shake shake you off my shoulder baby
Fall down down down till you crash and break
And for me
I'll live to love again
Make make making all the boys go crazy
Love love love it when you say you hate me, I
I'll live to love again
